Information for Customers Who Plan to Use DSS Vouchers

GGLC responsibility:

1. We will provide an official estimate of the service charges based on the Customer's needs for GGLC services. Price list is available upon request.
2. We will make an adjustment to monthly tuition paid directly by Customer only after the first full DSS payment (2 weeks coverage) is received.

Customers responsibility:

1. Customers must contact their local Department of Social Services to determine the eligibility for supplemental Child Care payments.
2. Customers will assume full responsibility for the total balance due (fees and first month tuition are due at the time of registration). Usage of DSS voucher does not relieve the Customer from full responsibility over the account.
3. Monthly tuition is due by the 1st day of the month in which services are received. Payment can be made by credit card, check or cash in the Finance Office. We do encourage Customers to have a credit card information on file with Finance Office for monthly scheduled withdrawals on 5th or the 20th of each month for the duration of services provided by GGLC.

I have read and understand the above statements.
